Nippers mini Carnival—22 November at Naiharn beach

PLC Carnival organizing committee at the Carnival Gala Dinner.

We held a successful "Nippers" carnival—joined by more than 120 kids supported by their families on 22 November at Naiharn beach. It was a resounding success with support from local schools, local swim clubs, Asia Center Foundation and our great supporters Le Meridien Phuket Beach Resort.

Events included swim and board events, beach flags and sprints and a very funny series of tug-of-war. Everyone left with a smile on their face, some great medals and memories, enthusiastic for the next mini-carnival on 20 December at Kamala Beach.
